The map shows a site with several buildings: a large red building at the bottom, a smaller red building to its left, a green building in the center, and two large pink buildings at the top. The site is surrounded by a boundary line with red crosses. Numerous elevation points are marked with circles and numbers (e.g., 368.11, 368.12, 368.13). Green dashed circles indicate specific features. A legend in the top left corner defines symbols for telephone poles, water sources, drainage, irrigation, unnamed covers, light covers, manholes, signs, streetlights, sewage, and fences. A north arrow is located in the bottom right corner.
